WE ARE ESH GRUPPA, AN INTERNATIONAL BRAND & DESIGN AGENCY

What we do

We create visual identities and help brands communicate via digital media, print design, environmental graphics, and illustration. We work with IT companies, cultural institutions and small business owners.

Our approach

Our studio was founded by four partners, each contributing unique expertise. We own the business, create work, and act as the primary contact for our clients. This structure helps us to create great projects with empathy and vigor.
